

## **2007-2008 Incentive Grant Guidelines & Application**

Do you want to give your 8<sup>th</sup> graders new and exciting opportunities? The HEAP Grant may have funding waiting for you to assist in a creative activity. The 2007-2008 Incentive Grant is available on a first apply basis. Projects will be funded up to \$1,000 per school.

This year's grant committee will be looking for innovative and creative activities that will include participation for both students and parents in the following areas: College Awareness, Transition to 9<sup>th</sup> grade and financial access to higher education (financial aid, scholarships and grants, etc.).

Upon receiving the grant, the grantee agrees to provide CHE with HEAP survey and evaluation data.

The Incentive Grant proposal must include the following in detail:

- Description of the activity
  - Projected time
  - Calendar of events
  - Schools involved (Higher Education Institution)
- Detailed cost of the activity
- Narrative of how the project relates to Higher Education Awareness

Submit your proposal and completed application **no later than October 1, 2007** to the following:
